Mother’s Day
I hope everyone had a relaxing Mother’s Day on Sunday and enjoyed the presents from the school Mother’s Day stall. Bruffey set up a stall in the cubby house. She had wallets with money for each of the children. During assembly the students learned the key word signs for shop, pay and money. One at a time the students went up to the counter of the shop and chose the present for their mother. They then had to find the $1 coin in their wallet and pay for their item. This is a great example of how our students can learn through real life experiences. All of these presents were donated to the school, so a huge thanks to those generous shops and volunteers.

Reconciliation Week
Our Aboriginal Education Committee has been discussing a way for all students and families to celebrate Reconciliation Week. They have decided to hold a “Whole School Gathering” on Wednesday 27th May from 11:20-1:20. The purpose of this gathering is to share the cultural backgrounds of the students at our school. The Committee has organised for some Aboriginal students to come and demonstrate Aboriginal body art and dancing. They are hoping that you will all come and share your cultural roots too by bringing a plate of food typical of your background. We hope to see many of our families at the gathering.

Please help us by labelling your child’s clothing
This is the time of year when student’s clothing is most likely to get lost. They tend to wear their jumpers to school and as the day warms up they take them off, often in the playground when they are running around. We do our very best to make sure that items of clothing taken off are put into students bags but this is sometimes difficult. We would like to remind you to ensure that your child’s clothing, particularly jumpers and shoes that may be removed, are labelled clearly with your child’s name. This will help to minimise the stress involved when items become lost. Thank you for your assistance with this.

The Yellow Class are enjoying integration
The Yellow Class continue to enjoy their integration to Ulladulla Public School on Friday mornings. We participate in different literacy activities and we are learning to move from one learning station to the next when the bell is rung. We are also enjoying taking turns and making new friends. Last Friday we also bought popcorn at the canteen. We practised our money skills and our correct manners. The hot popcorn was delicious!

Blue Class explore a new toy
The Blue Class kindly accepted the donation of a wooden dolls house and furniture. The
students have been exploring the house and learning how to play using the furniture and little people. Shaylee and Bailey have spent lots of time teaching each other how to put the dolls to bed and then take them for a walk before coming home again. Lashawn enjoys making things go in and out of the front door. Thank you for this wonderful resource Penny. The students are sure making the most of it.

The Green Class hard at work
The Great Green Class have had a very active week kicking their legs up and down Ulladulla pool, walking along the ocean front at Mollymook, returning made boxes to the Post Office after putting them together in the school to work program, visiting the supermarket for provisions to make perfect pikelets and finally a lot of jaw action to eat the pikelets! Thank goodness the Great Green Class never complain and get on with the job, a smile on their face and skip in their step!

Red Class: Proud of student progress
The Red Class is going great guns. Taleisha continues to participate in an increasingly settled manner for a range of class activities. Yesterday Jada, accompanied by Jarrah and Jenny, attended a bus trip around the Milton Ulladulla area to look at local Aboriginal sites. This was an excursion that included Aboriginal students from Ulladulla Public School, Milton Public School and Ulladulla High School. It was a fantastic way for Jada to interact with her culture and peers.

Student awards
Week 3
Red Class- Lochlan for mature behaviour, thinking of others and improved attitudes in class.
Green Class- Lilly Dixon for her effort to use her voice at every opportunity. Well Done Lilly.
Yellow Class- John for increased use of his PECS symbols for communication
Blue Class- Shaylee for excellent work in maths groups.

Week 4
Red Class- Leilani for excellent interaction with visiting students from Shoalhaven Anglican School.
Green Class- Michael for his excellent friendship skills.
Yellow Class- Tyran for excellent participation during horse riding and responding well to instructions
Blue Class- Dylan for happily exploring lots of class toys.
